

## How Do I Join Redeemer?

Interested in joining our Family of Believers – we would love to welcome you! Joining is as simple as these Five steps:

**Step 1:** Connect with one of our Pastors. They would love to get to know you and hear how they can encourage you in your faith. Call the church office – 289-5147...or email Pastor Koglin [akoglin@redeemer-rochester.com](mailto:akoglin@redeemer-rochester.com), Pastor Loos [pastorbenloos@gmail.com](mailto:pastorbenloos@gmail.com)

**Step 2:** Our Families Beliefs – As you join a faith family who will help you keep your eyes on Jesus and mature in your faith it is important to know what they believe! This step is done in the comfort of your own home. It consists of Twelve Videos (6 minutes each) that teach you the core pieces of our faith and what our Family of Believers stands on. Finish at your own pace! If you want to go deeper on any video there are discussion guides to each video as well. You can find these at: <https://www.lhm.org/godconnects/>. Please contact Sarah Finley (<mailto:finley.sarah@mayo.edu>) to let her know that you have started this step so we can connect with you.

**Step 3:** Welcome To Our Family – This step will be led by one of our pastors and a member from our church. Here you will learn what you need to know to feel like an important, valued, and loved member of our Family of Believers. This will be hosted on a SECURE ZOOM account. You will get the link in an email with instructions. Two opportunities are September 9, at 6:00 pm, and September 12, at 9:00 am.

**Step 4:** Ministry Mentor: Sometime before or after step three a Ministry Mentor will contact you. This person will stay connected with you for your first year. They want to get to know you, pray for you, and help you feel connected here. Many times these form friendships that last!

**Step 5:** Welcome to The Family Weekend – These weekends are held in January, May, and September. During this time of COVID, when there are multiple comfort levels with large group gatherings, we will be doing our actual Installation during step 3 during the ZOOM Meeting and play the recording of this in our livestream services.
