OUR THEME FOR TODAY: Today we delve into the depths of the rescuing Savior we have in Jesus Christ. **Our VBS week had us shipwrecked on a tropical island.** We needed a rescuer. We needed a Savior in Jesus to take our sin, our worry, our struggles, our powerlessness, and loneliness, and to connect us to a Family of Believers to support one another. What an incredible week!

(*) SONG "I Am"

There's no space that His love can't reach.
There's no place where we can't find peace.
There's no end to amazing grace.

Take me in with your arms spread wide.
Take me in like an orphan child.
Never let go, never leave my side.

Chorus: I am, holding on to you.
I am, holding on to you.
In the middle of the storm,
I am holding on, I am.

There's no space that His love can't reach.
There's no place where we can't find peace.
There's no end to amazing grace.

Take me in with your arms spread wide.
Take me in like an orphan child.
Never let go, never leave my side.

C: **Glory to you, O Lord.**

²³ Then he got into the boat and his disciples followed him. ²⁴ Suddenly a furious storm came up on the lake, so that the waves swept over the boat. But Jesus was sleeping. ²⁵ The disciples went and woke him, saying, "Lord, save us! We're going to drown!"

²⁶ He replied, "You of little faith, why are you so afraid?" Then he got up and rebuked the winds and the waves, and it was completely calm.

²⁷ The men were amazed and asked, "What kind of man is this? Even the winds and the waves obey him!" *Matthew 8:23-27 NIV*

L: This is the Word of the Lord.

C: **Thanks be to God.**

Chorus: In the eye of the storm, you remain in control.
In the middle of the war, You guard my soul.
You alone are the anchor when my sails are torn.
Your love surrounds me in the eye of the storm.

When my hopes and dreams are far from me
And I'm running out of faith,
I see the future I picture slowly fade away.
And when the tears of pain and heartache
Are fallin' down my face,
I find my peace in Jesus' name.

The third day he rose again from the dead. He ascended into heaven and sits at the right hand of God the Father Almighty. From thence he will come to judge the living and the dead.

CLOSING REMARKS FROM THE VBS TEAM: Connie Scheid

(*) SONG "My Lighthouse"

In my wrestling, in my doubts,
In my failures, you won't walk out.
Your great love will lead me through.
You are the peace in my troubled sea.
Whoa, you are the peace in my troubled sea.

Chorus: My lighthouse, my lighthouse,
Shining in the darkness, I will follow you.
My lighthouse, my lighthouse,
I will trust the promise
You will carry me safe to shore (oh-oh-oh-oh-oh),
Safe to shore (oh-oh-oh-oh-oh),
Safe to shore (oh-oh-oh-oh-oh),
Safe to shore.

I won't fear what tomorrow brings.
With each morning I'll rise and sing.
My God's love will lead me through.
You are the peace in my troubled sea.
You are the peace in my troubled sea.

"I'll Be Seeing You" - 1944

Ginger Rogers, Joseph Cotton, Shirley Temple top a stellar cast in this tender wartime love story about two troubled strangers who long for a normal life, meet by chance and try to crowd a lifetime of love and laughter into eight days. The movie manages to ambush your emotions and hasten your heartbeats. After serving half of a prison sentence for accidental manslaughter, Mary Marshall (Rogers) is allowed a holiday furlough to visit her family. Keeping her history a secret, she falls in love with a kindhearted G.I. (Cotton) who's struggling to overcome post-traumatic stress disorder.

A Special thriller follows this movie: CAPE FEAR-1961

Health Notes

THE USES FOR OPIOIDS

Opioid prescription drug abuse is a significant issue in healthcare today. Between 2000 and 2015 more than half a million people died in the US from opioid-related drug overdoses (Rudd, 2016). In Minnesota, there were 395 opioid overdose deaths in 2016, 194 that involved prescription opioids, and 150 overdose deaths that involved heroin. (MDH, 2017).

Opioids, also known as opiates, are narcotic painkillers that act on opioid receptors in the body. Doctors prescribe opioids for both acute and chronic pain management. However, legally regulated opioids, such as oxycodone and illegal opiates including heroin are often used recreationally and frequently result in opiate addiction.

Doctors may prescribe opioids for a range of pain – related conditions, such as pain relief during recovery from surgery. Patients with long-term illnesses as arthritis, chronic back pain or cancer-related pain often find relief through opioids.

Alternatively, opioids may be prescribed for patients who have a high tolerance for less effective pain medications and cannot find relief through non-narcotic means. Recreational drug users may take either Schedule I opioids, such as heroin, and Schedule II medications, such as fentanyl, oxycodone and Demerol, to achieve a “high”.

The Boards of Medical Practice, Nursing and Pharmacy are working on means to decrease the use of opioids for pain. My purpose in writing this article is to create an awareness that the doctor may not always be correct in prescribing opioids. You are responsible for knowing what medications you are taking and why you are taking them.
